

# You're leaving **money** on the table

73% of paid VAT goes unclaimed<sup>1</sup>

Companies pay over  
**€7.5B**  
VAT per year<sup>2</sup>

## What's the **opportunity**?

VAT rates vary and so does your reclaim opportunity  
Your travel patterns determine how much VAT your company pays and needs to recoup

**4-27%**

VAT rate range<sup>3</sup>

**12%**

Average VAT rate<sup>4</sup>

## VAT myths

You need hard copy invoices

Large invoices provide the only decent ROI

## Why do companies leave so much **T&E VAT unclaimed**?

Manual processes are complex and time-intensive

40% of invoices are non-compliant<sup>5</sup>

Travelers lose invoices

DIY and traditional processes capture a fraction of the potential

## We **eliminate** the hassle
