1. (General) UX Improvements

Feature type	Product enhancement
Feature Summary	UX improvements have been made to the navigation menu, header, and footer to make the platform most intuitive and user-friendly.
Scope	Global
Availability	All BCD Pay Users

The screenshot displays the 'BCD Travel Invoices' dashboard. On the left is a navigation sidebar with options like 'Insights', 'Corporate Wallet', 'Invoices', and 'Virtual Payments'. The main area shows a table of invoices with filters for 'All Countries', 'All Transaction', and 'All Product'. The table includes columns for invoice ID, type, date, amount, and user details. A '636 records' indicator is visible in the top right of the table area.
