Traveler Security Program Assessment

Peace of mind is knowing you're doing all you can to keep your travelers' safe

Take your travel risk management strategy to the next level with our comprehensive Traveler Security Program Assessment.

Our travel risk management consultants and employee engagement specialists will use their first-hand expertise to perform an objective analysis of your program across 11 key areas and create a communication strategy to keep your travelers educated and engaged.

Your results will be specific and actionable - digging deep into each area to help you build a travel risk management plan that keeps your travelers safe while giving you peace of mind.

DISCOVERY SESSION

Our experts will lead you through either a full-day session or series of virtual sessions designed to thoroughly assess your current program.

PERSONALIZED ANALYSIS

We'll uncover opportunities in the 11 key areas, and present detailed findings and action items to reference for your travel risk management strategy.

EMPLOYEE ENGAGEMENT

We'll assess your objectives and create a communications plan to drive behavior change and support change management to ensure the success of your plan.

Our goal was to assess Imperial Tobacco Group's situation in light of industry standards. The BCD Travel team was very well prepared and guided us through the workshop in a very professional manner.
