

# Wellbeing challenges and TMC support: Travel buyers speak

TMCs are well-positioned to support travel buyers with data, research and best practices in the wellbeing space.

## Wellbeing challenges

## TMC support in the wellbeing space

## Sources of information about wellbeing

- Travel buyers name lack of budget (49%) and time (41%) as the top two challenges to implementing wellbeing policies.
- The support they would like to receive from TMCs is related to reporting and data, as well as research in the wellbeing space. 4 in 10 need pandemic-related support.
- TMC is named as the top-third source of information in the wellbeing space, after internal stakeholders and travel press.
